INCLUSIVE JUMPSTART MULTI SPORT COURT

PROJECT OVERVIEW

The City has been presented with an opportunity to receive a gift of an inclusive multi sport court from **Canadian Tire Jumpstart Charities** in an existing park. This project will provide residents with an additional, fully accessible, multi-play sports amenity in the City.

City Council approved the project in June 2022 and directed staff to undertake public engagement and consultation with the Accessibility Advisory Committee to finalize a location based on three proposed sites and to complete detailed design for the sports court.

The City and Jumpstart will be working collaboratively from the initial planning and design phase of the project through to the construction of the court in 2024.

A consultant firm - The MBTW Group - has been hired to assist the City in selecting a site for the court and preparing detailed design drawings.

INCLUSIVE JUMPSTART MULTI SPORT COURT

AN INTRODUCTION TO CANADIAN TIRE JUMPSTART CHARITIES

Founded in 2005, **Canadian Tire Jumpstart Charities** helps children overcome financial and accessibility barriers to sport and recreation in an effort to provide inclusive play for kids of all abilities.

Through Jumpstart's commitment to inclusive play, with generous support from local Canadian Tire dealers, municipalities across Canada are partnering with Jumpstart to build inclusive playgrounds, sport courts and other sport infrastructure.

To date six sport courts have been built across Canada with more in the planning stages.

For additional information on **Canadian Tire Jumpstart Charities**, please follow this link:

WHAT IS AN INCLUSIVE JUMPSTART MULTI-SPORT COURT?

Inclusive Jumpstart Multi Sport Court located in Thompson, Manitoba

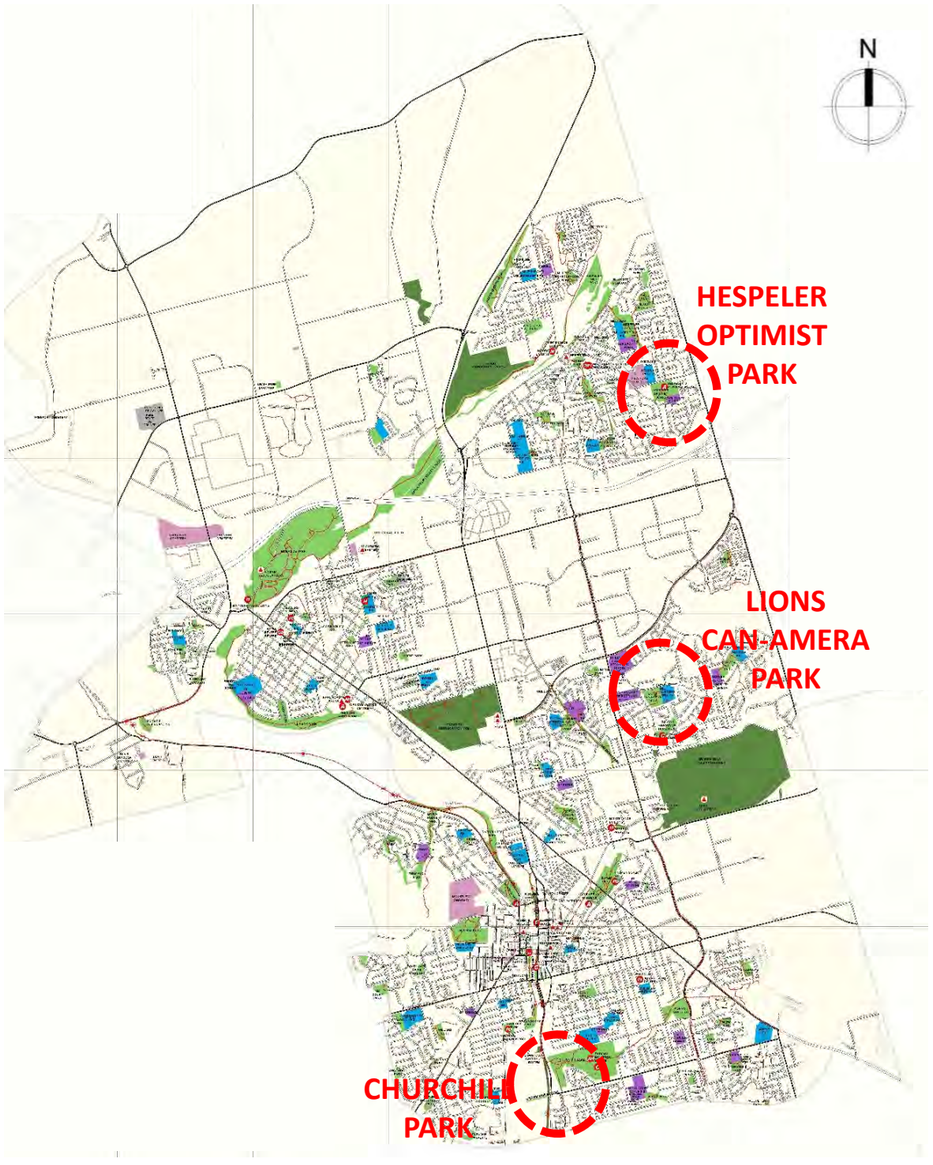

Jumpstart's Multi Sport Courts typically feature:

- high contrast acrylic court surfacing for barrier-free access and comfortable play
- fixed and adjustable equipment
- LED lighting
- shade canopies
- accessible bleachers and double-wide player bench areas
- sport court lines to welcome a variety of sports / para sports including: pickleball, volleyball, sitting volleyball, wheelchair tennis and basketball
- areas for unstructured play

Equipment layout and site furnishings vary from court to court depending on the unique interests of each community.

INCLUSIVE JUMPSTART MULTI SPORT COURT

POTENTIAL COURT LOCATIONS

Considering the Jumpstart requirements of location, size, conditions and accessibility, the three proposed locations approved by City Council in 2022 include:

Churchill Park
200 Christopher Drive

Lions Can-Amera Park
305 Saginaw Parkway

Hespeler Optimist Park
640 Ellis Road

CHURCHILL PARK – SITE LOCATION

INCLUSIVE JUMPSTART MULTI SPORT COURT

CHURCHILL PARK – PRELIMINARY SITE LAYOUT

LEGEND (EXISTING ELEMENTS):

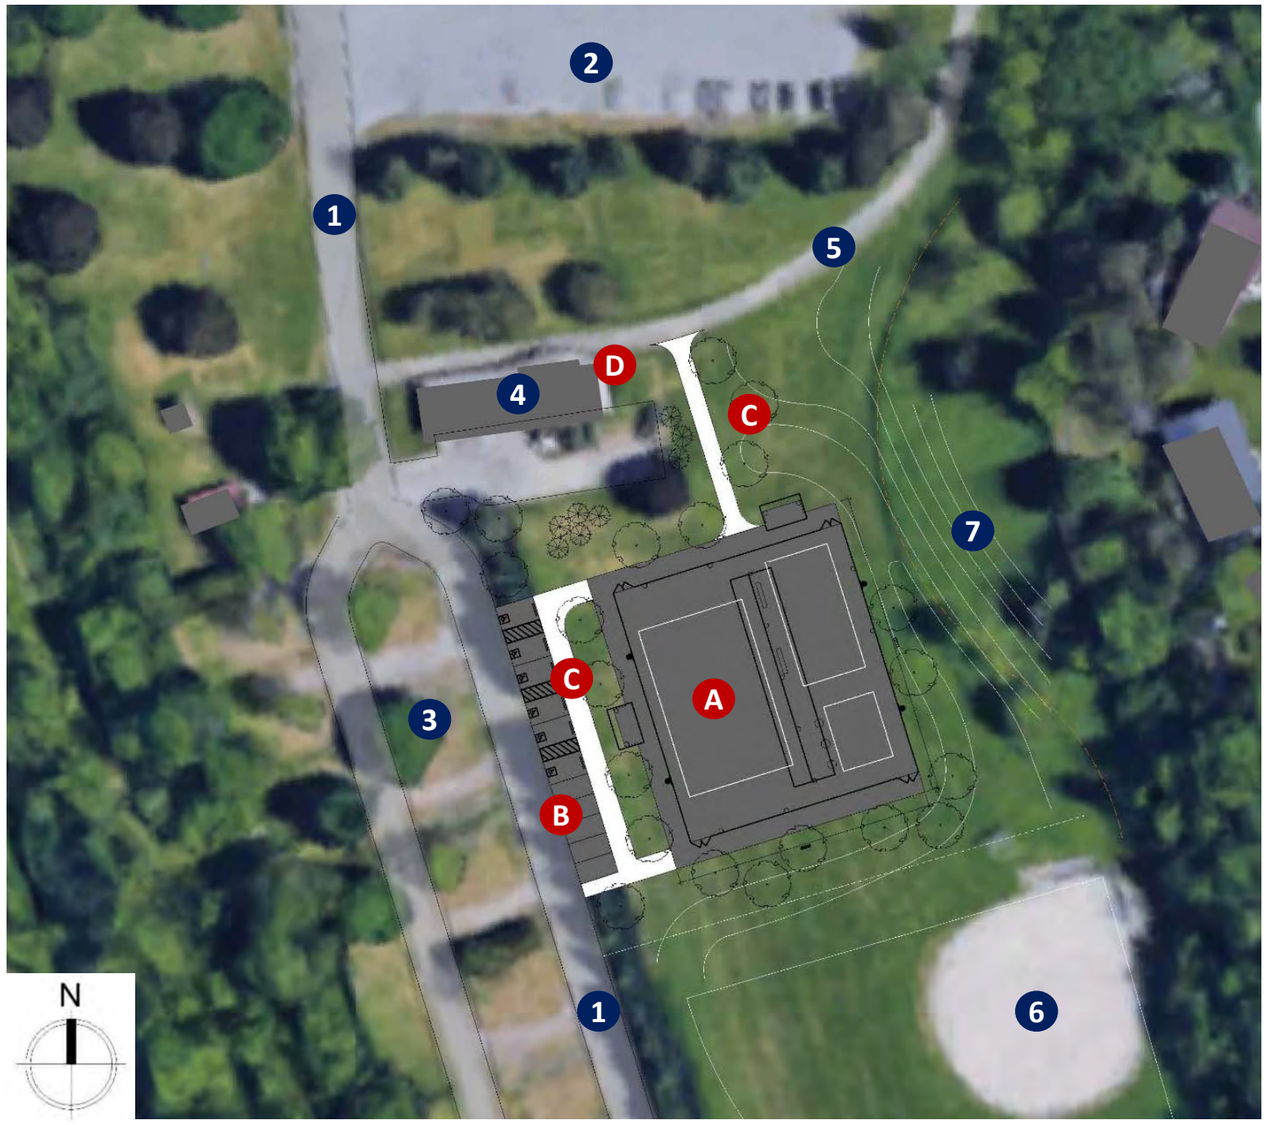

1. Existing Entry Drive
2. Existing Parking Lot (asphalt surface)
3. Existing Parking Lot (granular surface)
4. Existing Parks Operations / Maintenance Building
5. Existing Pedestrian Pathway
6. Existing Ball Diamond
7. Naturalized Planting Area

LEGEND (PROPOSED ELEMENTS):

- A Proposed Jumpstart Multi Sport Court
- B Proposed Parking Lot Expansion
- C Proposed Pedestrian Connections
- D Proposed Building Upgrades (Accessible Washrooms)

INCLUSIVE JUMPSTART MULTI SPORT COURT

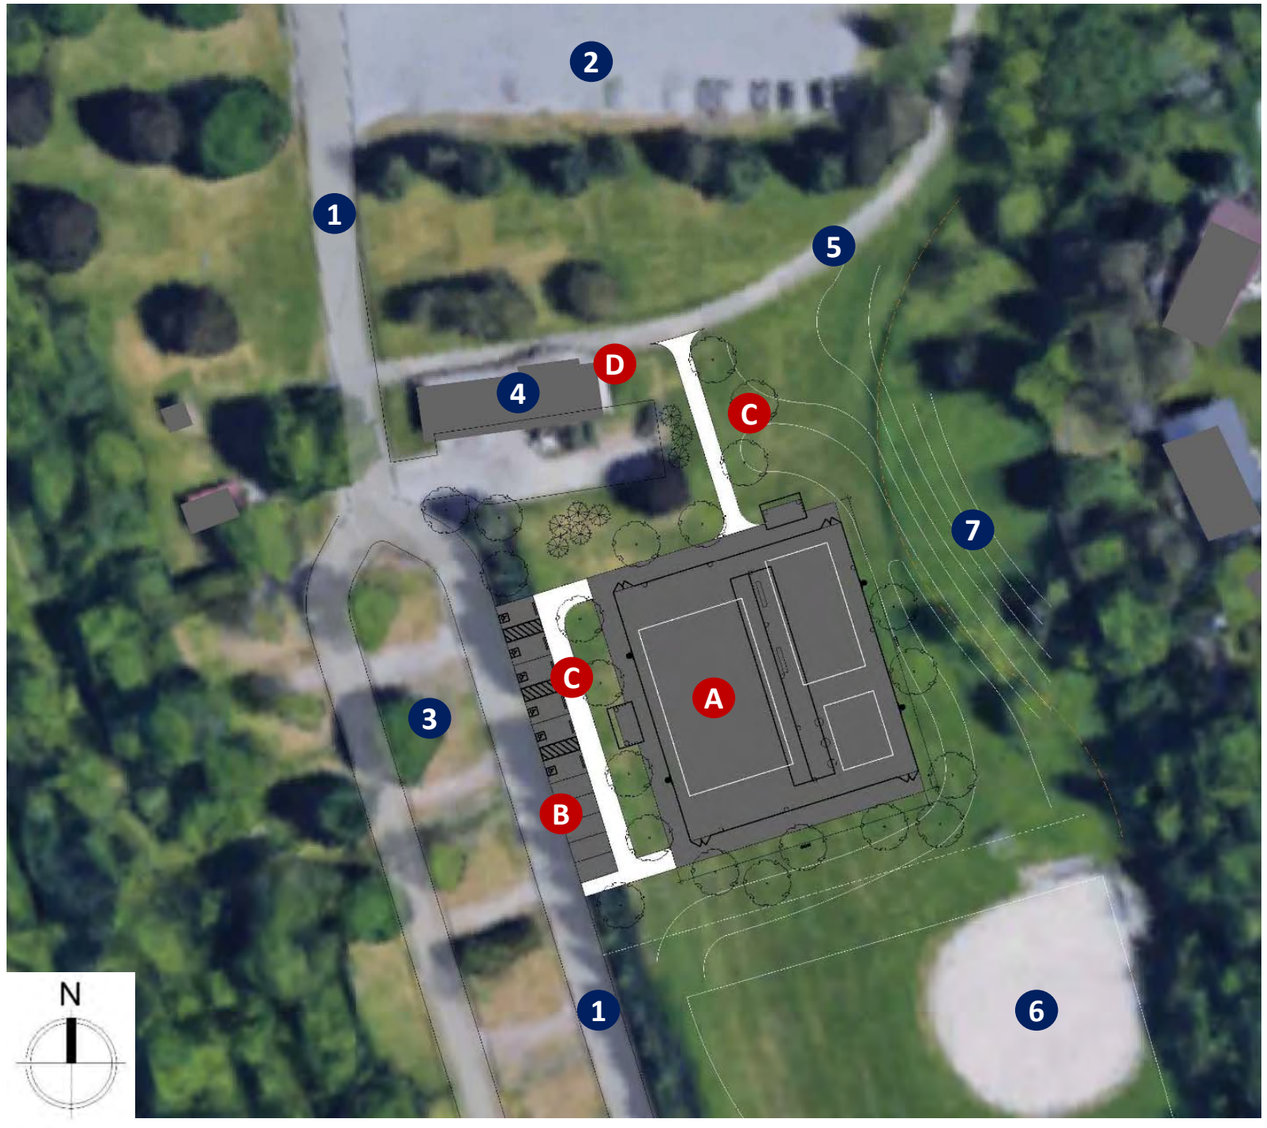

CHURCHILL PARK – SUITABILITY ASSESSMENT (KEY POINTS)

CRITERIA	OPPORTUNITIES	CHALLENGES
Layout	• Sufficient space available.	• Several site grading constraints due to sloping topography.
Location	• Currently an unprogrammed space. • Adjacent to Parks Operations Building with washrooms.	• Not central to other park amenities. • Washrooms facilities require accessibility upgrades. • Parks Operations outdoor maintenance area highly visible. • Proximity to residential lots may result in some noise and lighting concerns. • Separation from the existing ball diamond needed.
Vehicular Access	• Some parking infrastructure in place.	• Parking area improvements are needed, including. additional accessible parking closer to the court.
Pedestrian Access	• Connection to existing pathway system possible.	• Pathway connections to washrooms and parking areas are needed.
Utilities & Servicing	• Sanitary, water and electrical service connections are all available from the Parks Operations Building.	• Storm connection not available – introduction of stormwater controls may be necessary.

INCLUSIVE JUMPSTART MULTI SPORT COURT

CHURCHILL PARK – PRELIMINARY SITE BUDGET

PRELIMINARY BUDGET SUMMARY:

1.	Site Works	$ 279,500.00
2.	Site Servicing	$ 40,000.00
3.	Washroom Upgrades*	$ 385,000.00
4.	Multi Sport Court **	$ 900,500.00
	TOTAL	**$1,605,000.00**

** Washroom Upgrades relate either to improvements to the existing washroom facilities or the addition of universal washrooms.*

*** Total value of the Multi Sport Court includes the gift from Canadian Tire Jumpstart Charities.*

2. Existing Parking Lot (asphalt surface)
3. Existing Washroom Building
4. Existing Pedestrian Pathway
5. Existing Playground Area
6. Existing Ball Diamonds
7. Existing Soccer Fields
8. Clemens Mill Public School

LEGEND (PROPOSED ELEMENTS):

- A Proposed Jumpstart Multi Sport Court
- B Proposed Parking Lot Upgrades
- C Proposed Pedestrian Connections
- D Proposed Building Upgrades (Accessible Washrooms)

INCLUSIVE JUMPSTART MULTI SPORT COURT

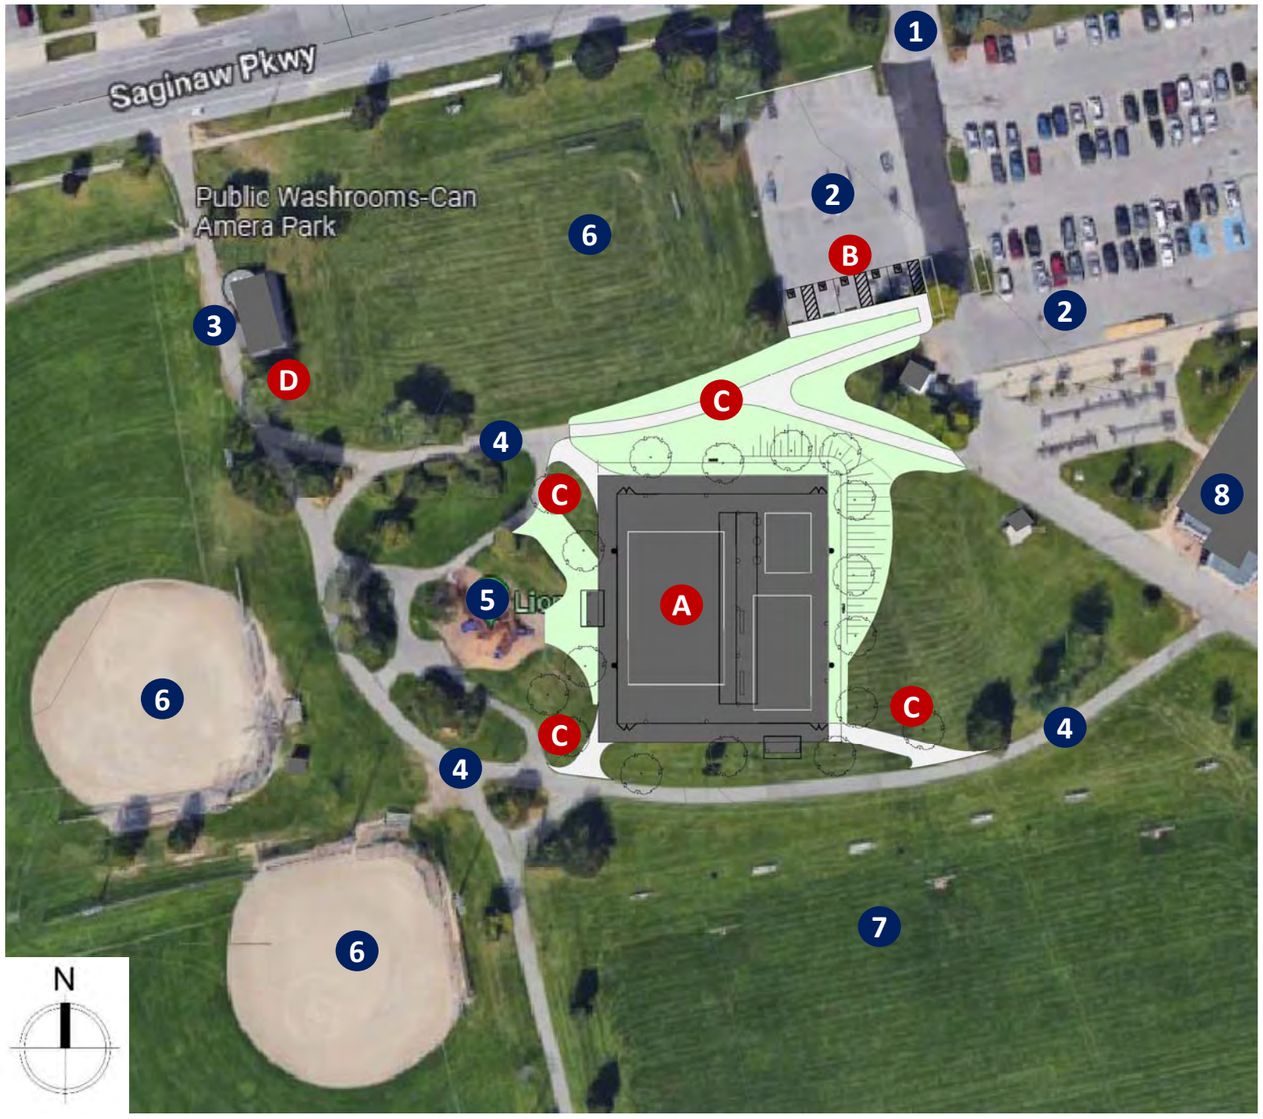

LIONS CAN-AMERA PARK – SUITABILITY ASSESSMENT (KEY POINTS)

CRITERIA	OPPORTUNITIES	CHALLENGES
Layout	• Sufficient space available.	• Some site grading constraints due to sloping topography.
Location	• Currently an unprogrammed space that is central to other park amenities. • Adjacent to seasonal washroom building. • Good separation from adjacent facilities and residential lots. • Directly adjacent to an elementary school.	• Already an active, high use park. • Seasonal washroom would require accessibility upgrades.
Vehicular Access	• Existing parking area shared with the school.	• Introduction of another high use amenity may create parking issues during peak use times. • Additional accessible parking closer to the court needed.
Pedestrian Access	• Located within an existing pedestrian pathway loop.	• Accessible connection from the court to the parking lot required.
Utilities & Servicing	• Storm, sanitary, water and electrical service connections available on site.	• Electrical service shared via the school.

INCLUSIVE JUMPSTART MULTI SPORT COURT

LIONS CAN-AMERA PARK – PRELIMINARY SITE BUDGET

PRELIMINARY BUDGET SUMMARY:

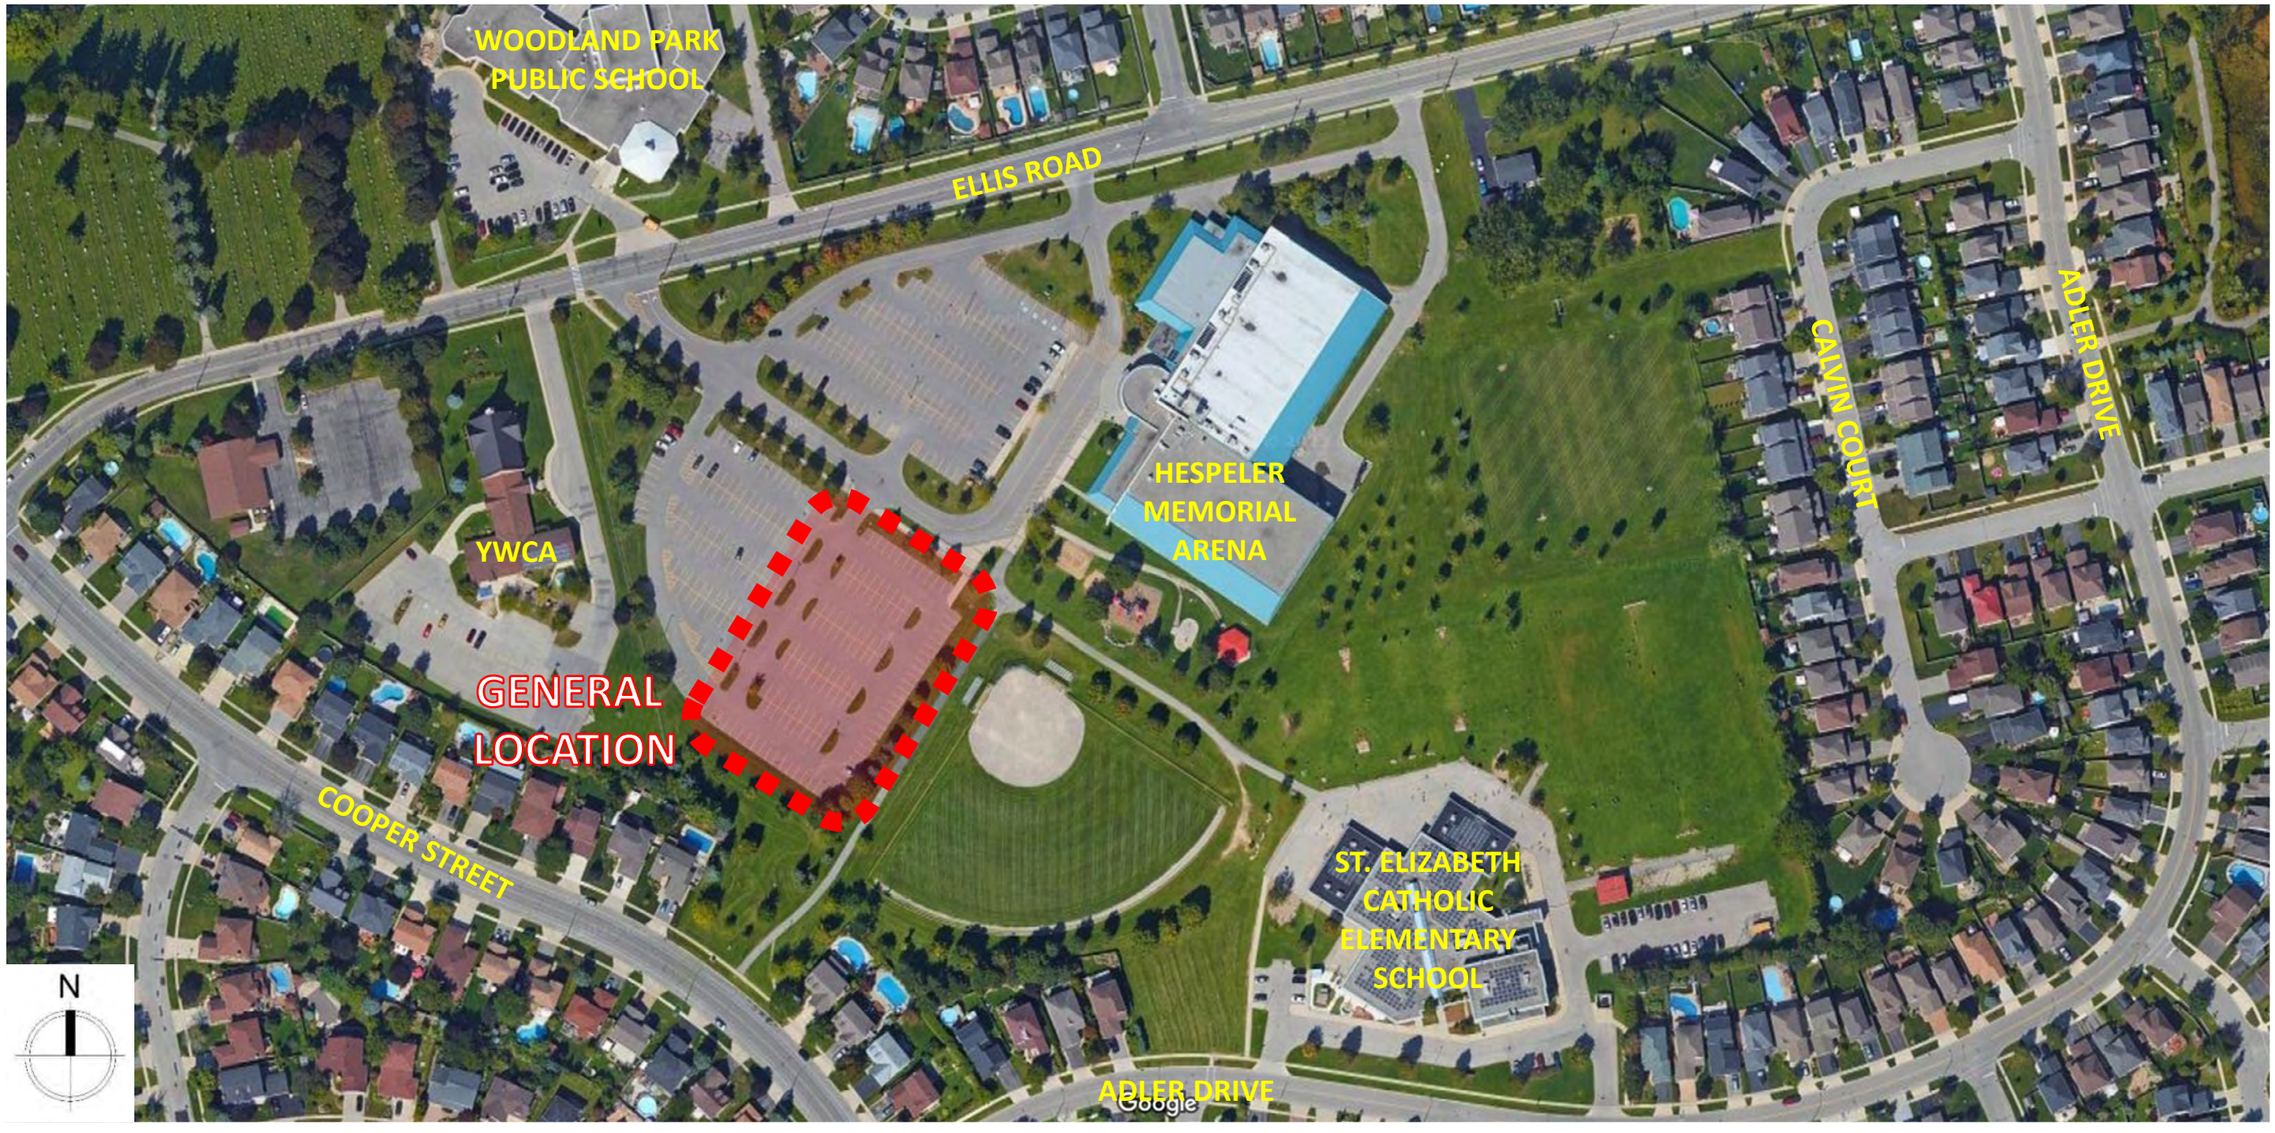

1.	Site Works	$ 184,500.00
2.	Site Servicing	$ 24,000.00
3.	Washroom Upgrades*	$ 385,000.00
4.	Multi Sport Court **	$ 900,500.00
	TOTAL	**$1,494,000.00**

* *Washroom Upgrades relate either to improvements to the existing washroom facilities or the addition of universal washrooms.*

** *Total value of the Multi Sport Court includes the gift from Canadian Tire Jumpstart Charities.*

HESPELER OPTIMIST PARK – SITE LOCATION

INCLUSIVE JUMPSTART MULTI SPORT COURT

HESPELER OPTIMIST PARK – PRELIMINARY SITE LAYOUT

LEGEND (EXISTING ELEMENTS):

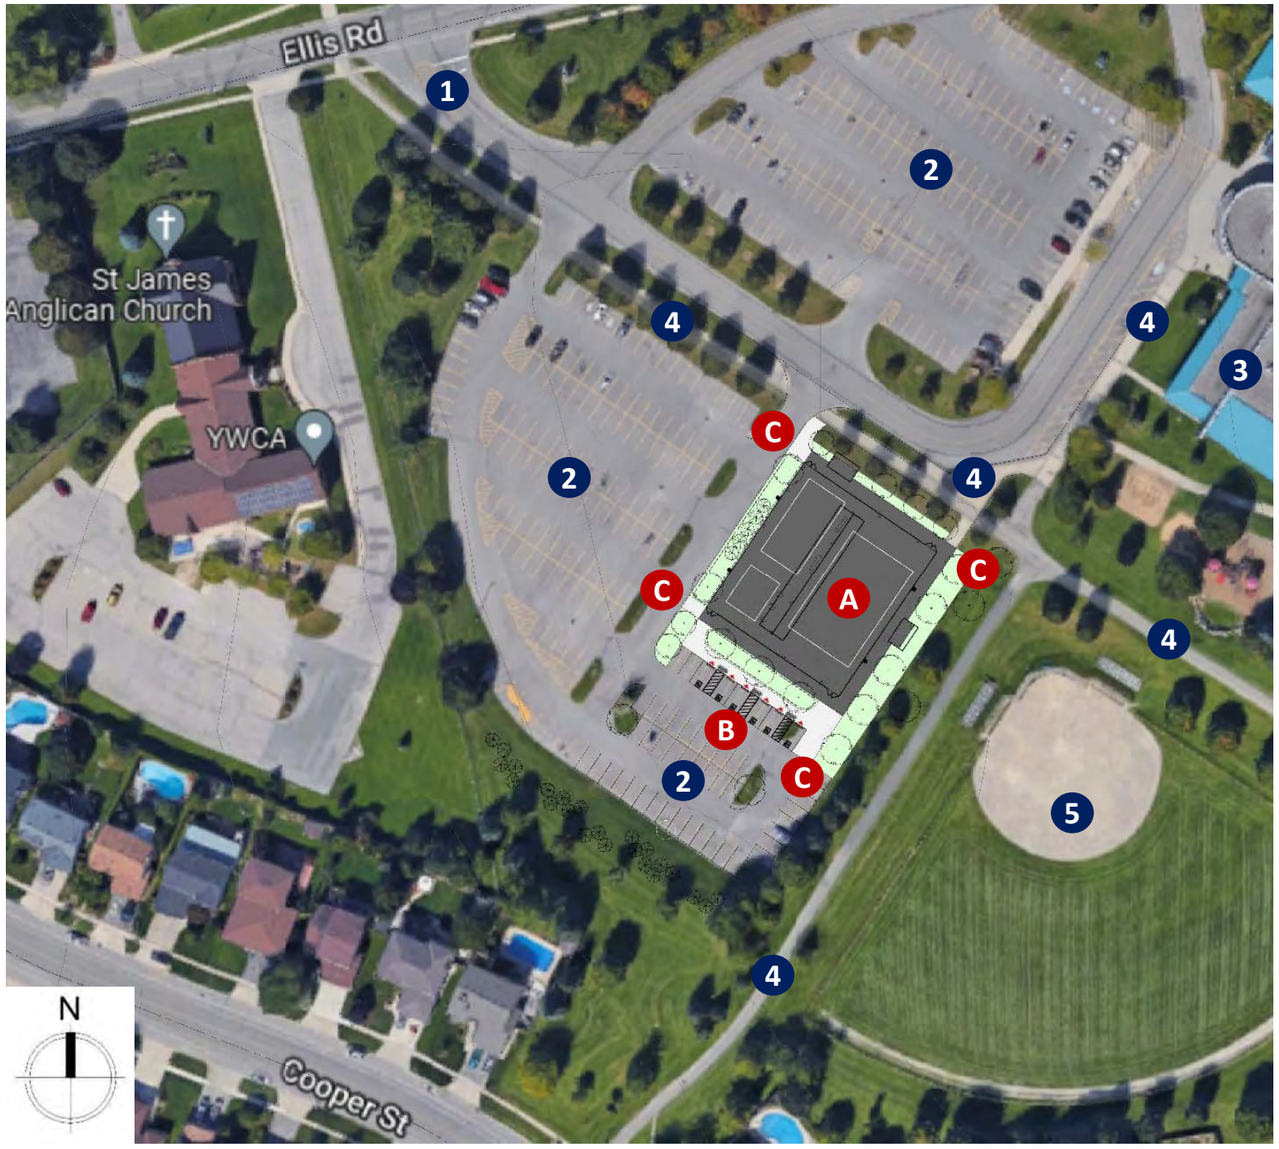

1. Existing Entry Drive
2. Existing Parking Lot (asphalt surface)
3. Existing Arena (complete with accessible washrooms)
4. Existing Pedestrian Pathway
5. Existing Ball Diamond
6. Existing Playground Area

LEGEND (PROPOSED ELEMENTS):

- A Proposed Jumpstart Multi Sport Court
- B Proposed Parking Lot Adjustments
- C Proposed Pedestrian Connections

INCLUSIVE JUMPSTART MULTI SPORT COURT

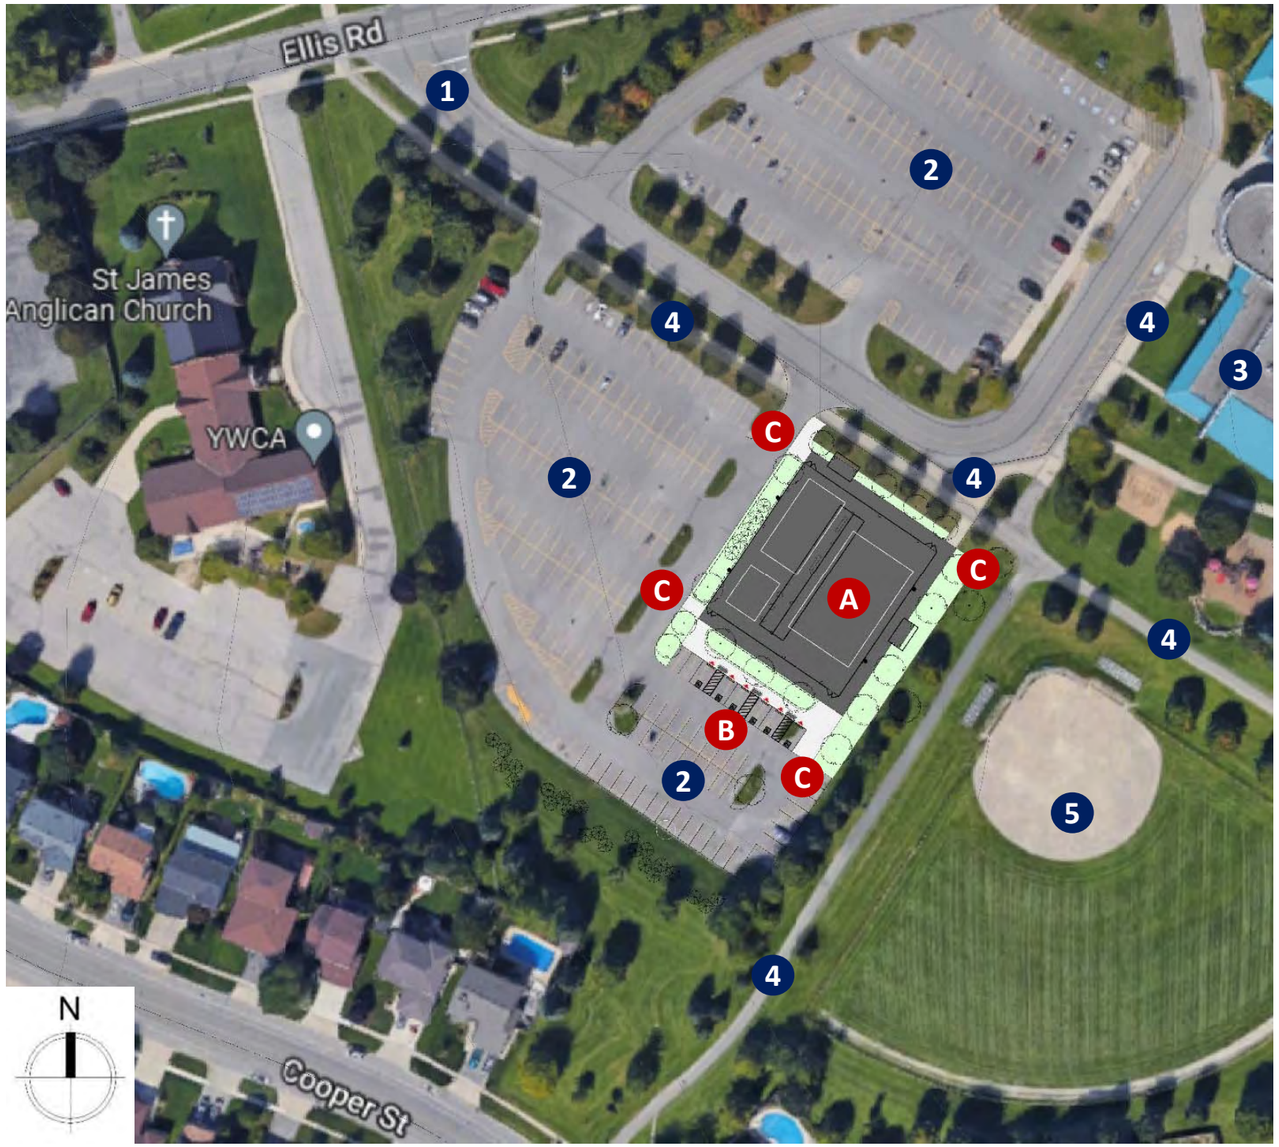

HESPELER OPTIMIST PARK – SUITABILITY ASSESSMENT (KEY POINTS)

CRITERIA	OPPORTUNITIES	CHALLENGES
Layout	• Sufficient space available.	
Location	• Large, flat area with existing infrastructure in place. • Adjacent to arena complete with universal washrooms. • Good separation from adjacent park facilities. • Adjacent to two (2) elementary schools.	• Currently a parking lot within an existing park / arena complex. • Proximity to residential lots may result in some noise / lighting concerns.
Vehicular Access	• Existing entrance drive and parking area.	• Location within existing parking lot would result in a reduction of arena parking spaces (approx. 100) – may impact peak use times. • Accessible parking spaces adjacent to the court are needed.
Pedestrian Access	• Adjacent to existing, accessible, hard surface routes – the court can easily be connected to the existing pathway network.	
Utilities & Servicing	• Storm and electrical service connections available on site.	

INCLUSIVE JUMPSTART MULTI SPORT COURT

HESPELER OPTIMIST PARK – PRELIMINARY SITE BUDGET

PRELIMINARY BUDGET SUMMARY:

1.	Site Works	$ 185,000.00
2.	Site Servicing	$ 24,000.00
3.	Washroom Upgrades*	$ 0.00
4.	Multi Sport Court **	$ 900,500.00
	TOTAL	**$1,109,500.00**

* *Universal washrooms available at the adjacent Hespeler Memorial Arena.*

** *Total value of the Multi Sport Court includes the gift from Canadian Tire Jumpstart Charities.*
