Re: Proposed Roundabout at Roseville Road (Regional Road 46) and Edworthy Side Road (Regional Road 71)

Dear: Resident/Tenant or Business Owner,

In a continued effort to enhance service and safety on the Regional road network for pedestrians, cyclists and drivers, Regional staff reviewed traffic operations at the intersection of Roseville Road and Edworthy Side Road. The resulting recommendation is to construct a roundabout.

Prior to making a final recommendation to Regional Council, Regional staff are inviting the public to provide input on the proposed roundabout at this location.

You can provide feedback online from January 11, 2023 until February 10, 2023, by clicking the link provided. www.engagewr.ca/roseville-road-edworthy-side-road-roundabout
