Construction Map 1
May 2024

Construction will be active during the hours that students are entering and leaving school. We all need to do our part to stay safe.

IMPORTANT!

Moore Avenue between Allen Street and Erb Street closed to vehicular traffic during May

School parking lot closed to pick up/drop off from 8:40am - 9:20am and 3:00 - 3:40 pm.

- No vehicle access through Moore/Allen intersection.
- No vehicle drop off/pick up on Allen between Willow and Devitt.
- No vehicle drop off on east side of Dover.

Drivers - please use the designated park and walk locations on this map to avoid delays and dangerous turnarounds.
Pedestrians - safe walking paths will be established. Crossing the street before getting to the work zone, or even going a block out of your way, can save you from getting muddy shoes or worse!

Remain alert and careful. It's very important to obey ALL work zone signs, personnel, and markings.

Safety Tips

- Construction vehicles can move suddenly and quickly. Stay alert!
- Keep to the sidewalks where available, and cross through the construction area only where designated.
- Watch where you're going! Construction work may be fascinating to watch but you need to get through the work zone safely. Don't linger any longer than necessary.
- Walk in groups or with an adult.
- Give yourself extra time. You may need to wait until work and/or construction vehicles can be safely stopped to allow you through.
- Keep far away from open excavations and active construction vehicles. Don't assume workers know you are there!
    - Wait for eye contact and an acknowledgement that they are aware of you.
    - Be patient if they need to help escort you safely through the work zone.

Things to watch for in work zones

- Orange work zone signs – show what is going on and how to travel safely through the work zone.
- Construction worker acknowledgement – a hand signal or wave shows they have seen you and they will indicate when it is safe to proceed.

Construction Map 2 coming in June!

New map coming from Principal Humphrys at Elizabeth Ziegler P.S. before May 31.
