INCLUSIVE JUMPSTART MULTI SPORT COURT

PROJECT OVERVIEW

The City has been presented with an opportunity to receive a gift of an inclusive multi sport court from **Canadian Tire Jumpstart Charities** in an existing park. This project will provide residents with an additional, fully accessible, multi-play sports amenity in the City.

City Council approved the project in June 2022 and directed staff to undertake public engagement and consultation with the Accessibility Advisory Committee to finalize a location based on three proposed sites and to complete detailed design for the sports court.

The City and Jumpstart will be working collaboratively from the initial planning and design phase of the project through to the construction of the court in 2024.

A consultant firm - The MBTW Group - has been hired to assist the City in selecting a site for the court and preparing detailed design drawings.

INCLUSIVE JUMPSTART MULTI SPORT COURT

CANADIAN TIRE JUMPSTART CHARITIES

Founded in 2005, **Canadian Tire Jumpstart Charities** helps children overcome financial and accessibility barriers to sport and recreation in an effort to provide inclusive play for kids of all abilities.

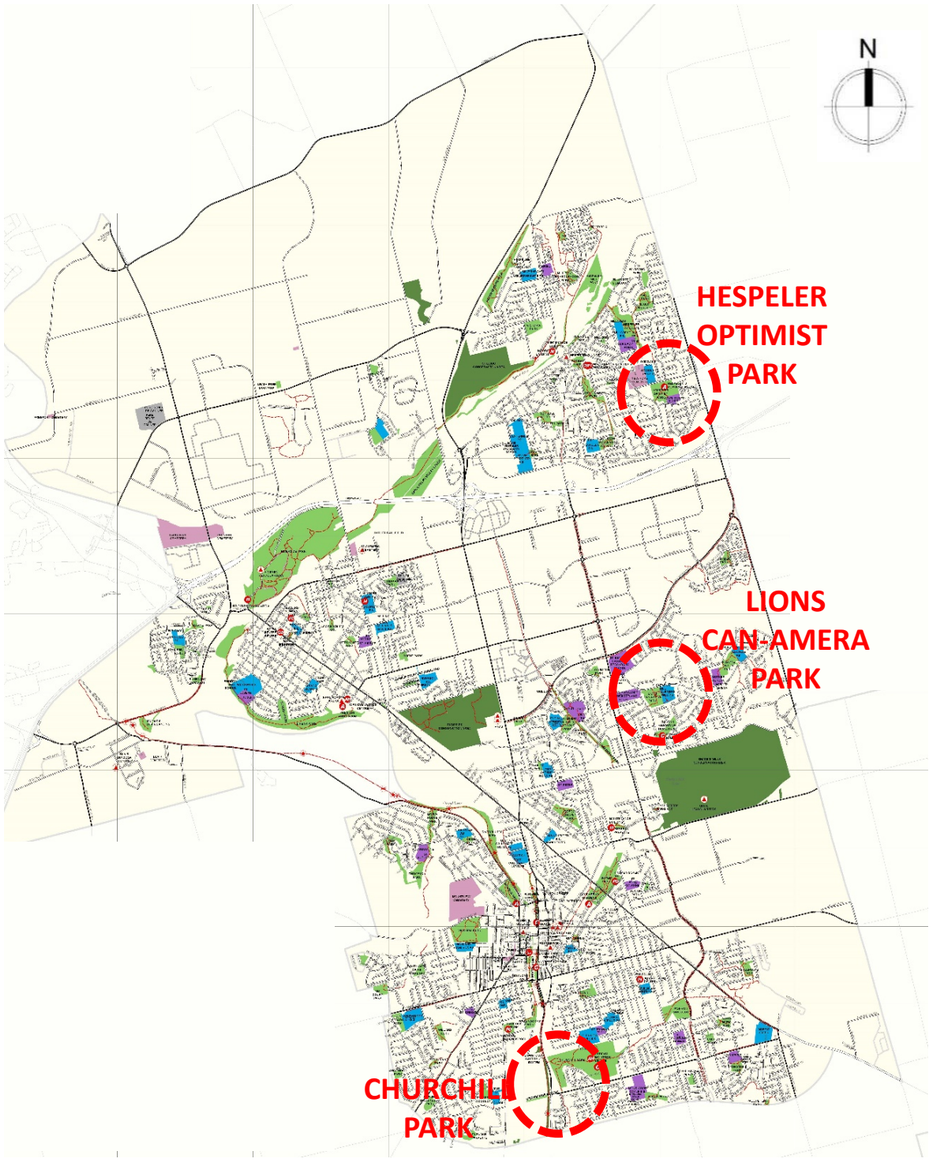

Through Jumpstart's commitment to inclusive play, with generous support from local Canadian Tire dealers, municipalities across Canada are partnering with Jumpstart to build inclusive playgrounds, sport courts and other sport infrastructure.

To date six sport courts have been built across Canada with more in the planning stages.

For additional information on **Canadian Tire Jumpstart Charities**, please follow this link:

INCLUSIVE JUMPSTART MULTI SPORT COURT

POTENTIAL COURT LOCATIONS

Considering the Jumpstart requirements of location, size, conditions and accessibility, the three proposed locations approved by City Council in 2022 include:

Churchill Park
200 Christopher Drive

Lions Can-Amera Park
305 Saginaw Parkway

Hespeler Optimist Park
640 Ellis Road

As part of Public Information Session #1, information related to each proposed location was provided, including:

- **General Site Context**
- **Preliminary Site Layout**
- **Suitability Assessment (Key Points)**
- **Preliminary Site Budget**

PUBLIC SURVEY #1 - HERE'S WHAT WE HEARD

LEVEL OF RESPONSE

1,135
Views on the Project Page

477
Survey Responses

99.4%
Survey Responses from residents in the City of Cambridge

HOW WILL THE COURT BE USED?

68
Responses from households including a person who identifies as living with a disability.

49.8%
Survey Respondents who are likely to use the facility more than once per week.

22.2%
Survey respondents who are likely to use the facility once per week.

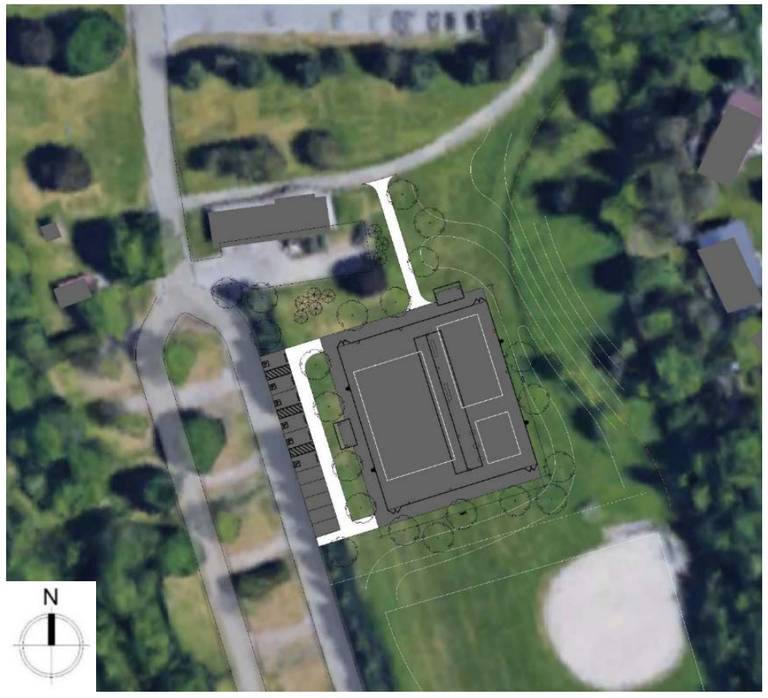

70%
Survey respondents who were in favour of participating in both unstructured play and programmed activities.

PUBLIC SURVEY #1 - HERE'S WHAT WE HEARD

WHERE WILL THE PARK BE LOCATED?

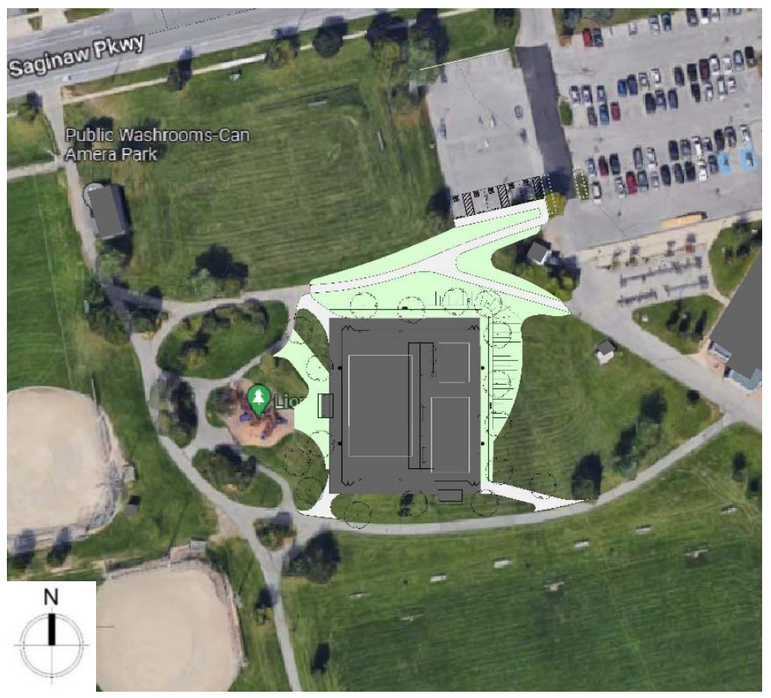

Churchill Park

22%

Survey votes identified this park location as the least preferred.

Lions Can-Amera Park

23%

Survey votes identified this park location as the 2nd most preferred.

Hespeler Optimist Park

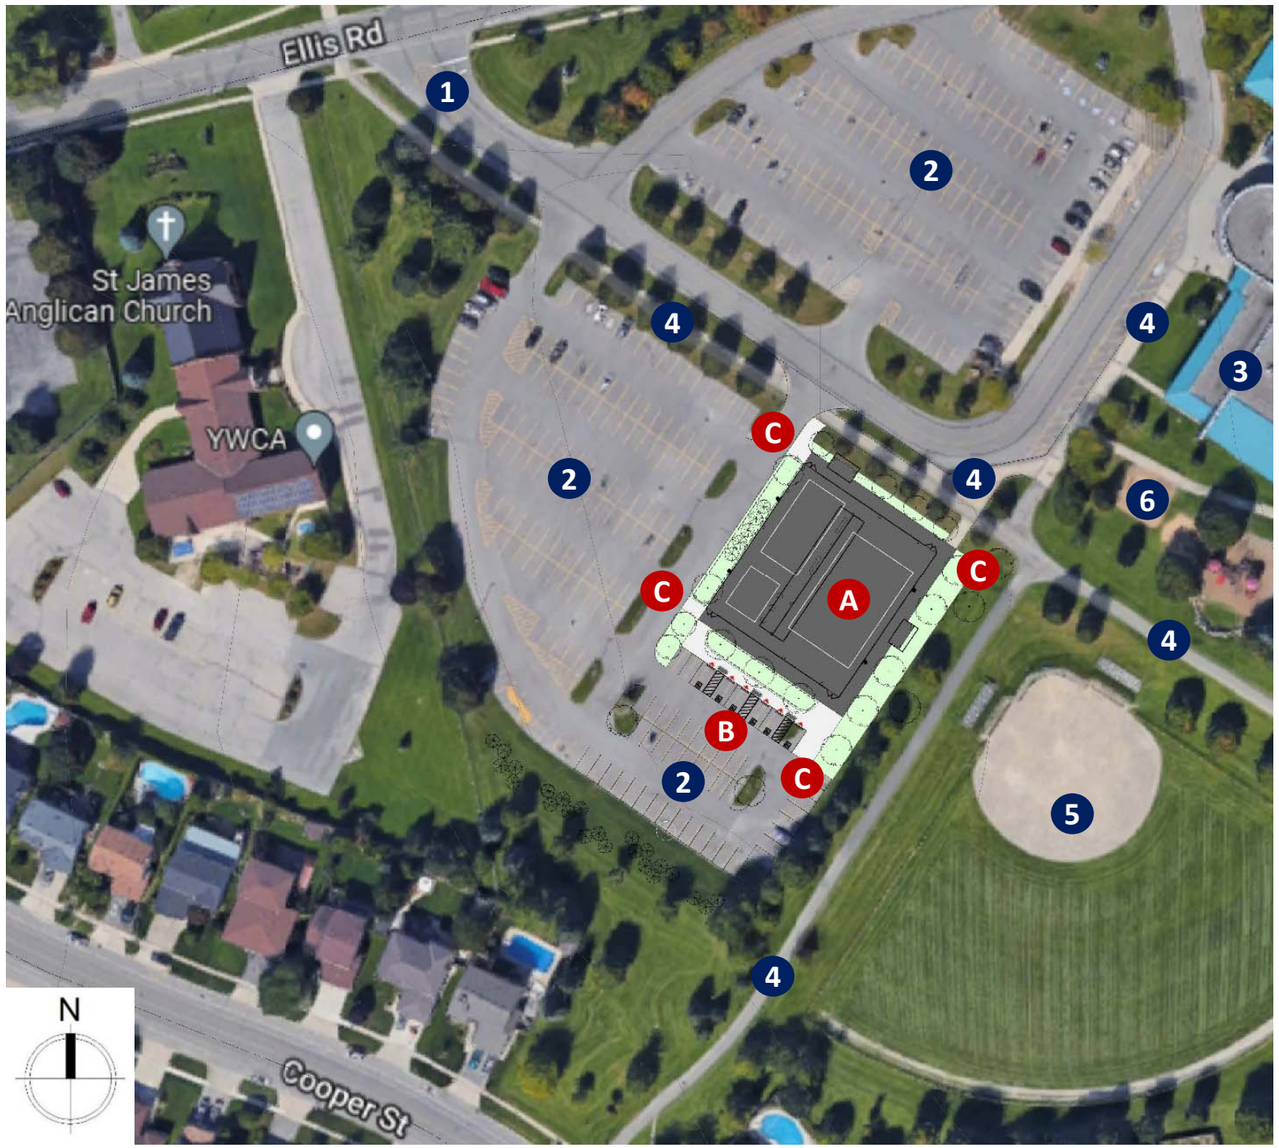

55%

Survey votes identified this park location as the most preferred.

INCLUSIVE JUMPSTART MULTI SPORT COURT

SELECTED COURT LOCATION - OVERVIEW

LEGEND (EXISTING ELEMENTS):

1. **Existing Entry Drive**
2. **Existing Parking Lot (asphalt surface)**
3. **Existing Arena (complete with accessible washrooms)**
4. **Existing Pedestrian Pathway**
5. **Existing Ball Diamond**
6. **Existing Playground Area**

LEGEND (PROPOSED ELEMENTS):

- **A** **Proposed Jumpstart Multi Sport Court**
- **B** **Proposed Parking Lot Adjustments**
- **C** **Proposed Pedestrian Connections**

Hespeler Optimist Park is the selected site for the proposed Inclusive Jumpstart Multi Sport Court. Not only is it the preferred location selected by PIS #1 survey respondents, but it is also the option preferred by the Cambridge Accessibility Advisory Committee.

Located in an existing parking lot, this location is flat, includes existing utility and service connections, and is next to two local schools. The court location easily connects to the adjacent Hespeler Arena and the accessible washrooms available within.

The preliminary budget estimate for this site was the lowest of the three potential locations - estimated at $1,109500.00.

COURT PROGRAM OPTIONS

Inclusive Jumpstart Multi Sport Court located in Thompson, Manitoba

Jumpstart Multi Sport Courts are planned and built to provide inclusive play for kids, children and youth of abilities.

Jumpstart's Multi Sport Courts typically feature:

- high contrast acrylic court surfacing for barrier-free access and comfortable play
- fixed and adjustable equipment
- LED lighting
- shade canopies
- accessible bleachers and double-wide player bench areas
- sport court lines to welcome a variety of sports / para sports including: pickleball, volleyball, sitting volleyball, wheelchair tennis and basketball
- areas for unstructured play

Equipment layout and site furnishings vary from court to court depending on the unique interests of each community.

Given what we heard from the PIS #1 Survey and based on Canadian Tire Jumpstart Charities design requirements, two court layout options have been developed.
