Official Plan Amendment: Hespeler Road Corridor Secondary Plan

Description: The purpose and effect of the Hespeler Road Corridor Secondary Plan is to provide a planning framework to guide future development and redevelopment in the Hespeler Road Corridor area. The Plan area includes three Protected Major Transit Station Areas (PMTSA). The Official Plan Amendment will delineate the boundaries of the PMTSAs, set minimum density targets, and establish land use designations to support the achievement of a transit-supportive built form.
