Notice of Agreement on Risk Management Plan

Issued under Section 58(6) of the Clean Water Act

Region of Waterloo

Date: August 13, 2024	
Name: 14688210 CANADA INC. C/O ZhengYu Cui & Parker Zhang	Address of Site/Lands: 177-179 Albert St, Waterloo

The following activities are considered significant in the Region of Waterloo's Source Protection Plan. Under Section 58 of the Clean Water Act, a Risk Management Plan has been agreed to for these activities at the location noted above.

Winter Maintenance

- Application of road salt (on roads and parking lots)

Private Sewage Operations

- Storm water management

- A copy of the plan is attached to this notice.
- No person shall engage in the activities listed above at the location noted above except in accordance with the plan.
- The plan indicates timelines for implementation of the required risk management measures.
- Risk Management Inspectors appointed by the Region of Waterloo may inspect the above noted property to ensure compliance with the plan.
- Failure to comply with the measures outlined in the plan will result in the commencement of enforcement measures as outlined in Sections 63 through 69 of the Clean Water Act.
- The person engaged in the activities to which the plan applies shall immediately notify, in writing, the RMO of any of the following events:
  - A proposed change to the activity, its location on the property or any risk management measures set out in the plan;
  - A new activity to which section 58 of the Act applies is proposed on the property; and
  - A change or proposed change in any information contained in the Risk Management Plan.

Eric Thuss, Risk Management Official
