King Street East and Coronation Boulevard Improvements Bishop Street to Hespeler Road/Water Street

June 8, 2022

Hello,

The Region of Waterloo is looking to improve King Street from Bishop Street to Concession Road, and Coronation Boulevard from Concession Road to Hespeler Road/Water Street in the City of Cambridge. This work addresses the deteriorating roadway and underground infrastructure, and will also provide improvements for pedestrians and cyclists within the project area. Construction is currently expected to start in 2025 and take two years to complete.

Save the date!

We have scheduled the first engagement opportunity to take place virtually from June 8 to July 6, 2022. You will be able to view designs and information online on our [EngageWR](#) project page, provide input and ask questions.

Please subscribe to our project page on [EngageWR](#) for project updates and engagement notifications. You can contact us with any comments or questions as well.
