

City of Kitchener – Dundee Secondary Plan Notice of Study Commencement and Public Engagement Meeting No. 1

The City of Kitchener is preparing technical studies to support development of the Dundee Secondary Plan (the Project). The technical studies will address hydrologic flow regimes, groundwater recharge and discharge areas, and ecologically sensitive areas. The Secondary Plan will also include Environmental, Transportation, and Noise Impact Assessments.

The Project will fulfill the requirements for the environmental assessment and land use planning processes at the same time, in accordance with the requirements of the Ontario *Planning Act* and Ontario *Environmental Assessment Act* (through Phases 1 and 2 of the MEA Class EA process).

The purpose of this Notice is to inform the public of the study commencement and invite stakeholders to the Public Engagement Meeting No.1.

How can I participate in this Study?

Public input is important in developing the Secondary Plan. If you are interested in participating in the process, please plan to attend the public engagement meeting on:

Date: September 12th, 2024

Time: 4 p.m. to 7 p.m. (drop-in anytime)

Location: Huron Community Centre, 80 Tartan Ave., Kitchener ON, Canada

If you wish to be added to the stakeholder mailing list or if you cannot attend the Public Engagement Meeting but wish to obtain information that will be presented, please contact:
